<b>REISSUE APPLICATION DECLARATION BY THE INVENTOR</b>	Docket Number (Optional) <b>ROCKCO P32AUSRI</b>
--	--

As a below named Inventor, I hereby declare that:  
 My residence, post office address and citizenship are stated below next to my name.  
 I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number **6,150,818**, granted **August 22, 2000**, and for which a reissue patent is sought on the invention entitled **FOOD DISPENSING CYCLE AND MEANS**

the specification of which

is attached hereto.

was filed on \_\_\_\_\_ as reissue application number \_\_\_\_\_ / \_\_\_\_\_  
 and was amended on \_\_\_\_\_ (If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verify believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

- by reason of a defective specification or drawing.
- by reason of the patentee claiming more or less than he had the right to claim in the patent.
- by reason of other errors.

At least one error upon which reissue is based is described as follows:

At least one error upon which re-issue is based is described as follows. The present re-issue is a broadening re-issue and the error involves the failure of the patentee to claim as broadly as he is entitled and, in particular, to claim a method for preparing and transporting food without for example the step of "the dispensing of food"; is not required to be recited in the broadest claim.
